1. This contract can only be activated if a disaster has been declared by the Miami Dade County Mayor. The County shall retain the option to activate whatever are it deems appropriate, consistent with the disaster, and to assign the work in accordance with the provisions of this contract.
2. All pre qualified contractors will be invited to participate in spot market quotes for removing/clearing emergency debris from the area(s) identified by the County, through the issuance of an **Invitation to Quote** (ITQ) by the user department.
3. A 10% percent bid preference shall apply to contracts \$1 million or less and 5% percent on contracts greater than \$1 million. A SBE/Micro Business Enterprise must be certified by the Department of Business Development (DBD) for the type of services the Enterprise provides in accordance with the applicable Commodity Code(s) for this solicitation. For certification information, contact the Department of Business Development at 305-375-3111 or access www.miamidade.gov/dbd. Both the Inspector General Ordinance and User Access Program applies to all ITQ's and releases issued under this contract, and shall be deducted from contractor's invoice. Payment terms of net shall be used for invoices received for services performed.
4. Simultaneously with his delivery of the executed ITQ to the County, the Contractor to whom the Contract has been awarded must deliver to the County executed Performance and Payment Bond in an amount that represents 5% of the contractors purchase order and any modifications to the purchase order, as security for the faithful performance of this Contract and for the payment of all persons performing labor or furnishing materials in connection therewith. The Performance and Payment Bonds shall have as the surety thereon only such surety company or companies as are acceptable to the County and are authorized to write bonds of such character and amount in accordance with the accordance with paragraph 2.13 of the ITB.
5. Once a Contractor is issued a release purchase order based upon the bid prices submitted pursuant to the ITQ, such prices shall remain in full force and effect throughout the time period specified in the ITQ or until the Work is completed, whichever occurs first. A purchase order will be issued for each ITQ for the purpose of allowing the Contractor to obtain a Performance and Payment Bond. Purchase orders will be issued in a proximate fashion, in order to expedite the Work. The County reserves the right to issue purchase orders to any Contractor(s) at any time.
6. Addendum No.: 4 Federal Highway Administration (FHWA) form 1273 provisions Attachment A shall accompany all Invitation to Quotes.
